I Promise Program LIMOUSINE for the PROM CONTRACT

Teen driver car crashes remain the leading cause of permanent injury and fatalities in youth and many fear the prom night as the evening of greatest risks. The prom is often the focal point of the senior's year and it should be remembered for a wonderful time only. For all the other days of the year, parents should consider an annual safe driving agreement such as the I Promise Program – www.ipromiseprogram.com

If your son or daughter is using a limousine service, add this page to their contract.

Teen passengers, parents and the limousine service agrees to the following:

1. No alcohol or other intoxicants or cigarettes are allowed in the limousine.
2. All packages are inspected by the chauffeur and go into the trunk of the vehicle.
3. The privacy screen remains open at all times to allow supervision by the chauffeur.
4. The chauffeur will phone the parents if alcohol or drugs are detected.
5. Each parent of the teen passenger must provide a phone or cell-phone contact number in case of violation or emergency.
6. Only teens registered below as passengers are allowed transportation in the limousine.
7. Signatures beside each name indicates this contract is accepted by parents and passengers listed and that the representative from the Limousine Service has the permission and right to inspect all packages and call parents accordingly.
